

CAPITAL H₂O
SYSTEMS

OVER 30 YEARS IN WESTERN CANADA
OFFERING UNPARALLELED EXPERTISE AND SERVICE
FOR SOLUTIONS YOU CAN TRUST.

Liquid and Dry Chemical Feed Systems

ProMinent[®]

Diaphragm pump systems
Polymer preparation systems

Blue-White[®]

Peristaltic pump systems
Rotameters

Injection quills
Sampling pots

Tank weigh scales
Containment weigh scales

ClorTec on site NaOCl generation
Calgon UV disinfection

PVC and steel static mixers
Polymer injection rings

Custom HDPE tanks and totes

FRP tanks and fabrications

Gas Feed Systems

Capital Controls[®]

Vacuum and pressure systems
Gas control valves
Chlorine gas scrubbers
Gas detectors

Cylinder weigh scales
Tonner weigh scales

Aeration control and monitoring

High efficiency aeration control valves
Thermal flowmeters
Intelligent aeration control systems

Online DO, TSS, pH, ORP
Automatic samplers

Treatment equipment solutions

High performance, non-clog
sludge heat exchangers

SS / Cast Iron slide gates
Slide plates and weir gates

Headworks screens
Grit removal and washing systems
Clarifiers and thickeners

Online Process Instrumentation

NSF-61 chlorine/pH/temp analyzers
With unique forcemain and
immersion installation options

Chlorine/pH/temp analyzers
Fluoride analyzers

Online bioavailable COD
and influent toxicity monitoring

Ammonia, phosphorus, nitrate,
chloramination parameters, UVT
Effluent, bioreactor or influent
measurement

Solids Management

Rotary drum thickeners
Belt filter presses
Screw presses

Decanter centrifuges
PONDUS thermal hydrolysis
MAGPREX struvite management

6749 FAIRMOUNT DRIVE SE (403) 251-2438

CALGARY, AB T2H 0X6
